Re: Coconut "Wood" Board Order

Gentlemen:

This Letter of Intent ("LOI") serves as our initial order to purchase Coconut "Wood" Boards for the purposes of producing prototype samples for our home furnishing and home accessory business. We feel very positive about the Coconut Board materials and hope this will be the beginning of a great long-term collaboration. Based on the success of these initial samples, and confirmation that we can obtain a regular supply of Coconut Board materials, we intend to resume orders on a more regular basis.

This is our initial order:

- 5 - 'ROUGH' COCONUT WOOD BOARDS (8 ft x 4 ft by 1inch in thickness)**
- 5 - 'REFINED' COCONUT WOOD BOARDS (8 ft x 4 ft by 1inch in thickness)**

Purchase Price: ___ (GHS) to be specified _____

*To meet our objectives we would need to secure the coconut board materials within **thirty (30) days** of the date of this letter. Payment to be delivered per your preferred method.*

Very truly yours,

EJURA DESIGN LTD.
